Check out our **updated website** at www.newagescholars.com

NAS OPENINGS!!

We currently have one part-time and one before and after slot available at **NAS**. If you know someone who might be interested in joining the **NAS** family, please spread the word and encourage them to apply!

APRIL IS AUTISM AWARENESS MONTH

This is a time to celebrate the beautiful diversity and unique strengths of individuals on the autism spectrum. Did you know that autism affects an estimated 1 in 54 children in the United States alone? Let's spread understanding and acceptance, creating a more inclusive world for all!

Kandice Allen

WELCOME KANDICE TO NAS!

Join us in welcoming Kandice Allen to the NAS family! With a strong background in Early Childhood Education and years of experience as an Infant/Toddler Assistant Teacher, Kandice is ready to make a positive impact on the lives of our children. We're thrilled to have her on board! Welcome to NAS!

DON'T FORGET CHECK-UPS!

Just a friendly reminder to schedule those doctor appointments for your little ones if they're due for their physical updates! Keeping up with these appointments ensures that our scholars stay healthy and happy. Thanks for staying on top of their wellness journey with us!

CUBBY CHECK TIME!

Hey NAS Families! As we hop into April, let's not forget to give our kiddos' cubbies some love! Take a quick peek inside to make sure their gear is ready to tackle whatever Mother Nature throws our way – rain or shine! Don't forget those labels to keep everything in its place!

A Note to Parents!

As we bid farewell to March and welcome the blossoming month of April, we want to take a moment to express our deepest gratitude to each and every one of our incredible NAS parents! Your support and involvement mean the world to me. Thank you for entrusting us with the privilege of nurturing and educating your child(ren). Your partnership fuels our passion for providing the highest quality care and learning experiences every day.
